

DOING THINGS DIFFERENTLY FOR OVER 100 YEARS

International Credit Union Day

OCTOBER 18, 2018

SPECIAL EVENT!

The Police Credit Union is celebrating International Credit Union Day on,

Thursday October 18th

Please join us for sweet treats and coffee.

**Celebrating the
credit union
difference for
over 100 years.**

This annual event helps shine a light on the positive impact credit unions are making in the lives of their members and in their communities.

To mark the celebration, we are partnering with Police Services to support their annual Toy Drive campaign by being a designated drop off point for an unwrapped toy.

*Please drop by your local Branch and
donate a toy to these local holiday drives.*

THANK YOU for your continued loyalty, support and contribution to the growth of the cooperative banking movement.
