Instructions on the next page on joining the meeting the day of...

Time to join the meeting

You can join the meeting up to **15 minutes prior to the start at 4:00 p.m. on April 27th, 2026** and you will be placed into a waitingroom. A slide show will run until the meeting begins so you will know you are in the right place.

What you'll need:

A strong Wi-Fi connection and a desktop computer or laptop will give you the best experience. If using a tablet or smart phone, you may be required to download the Zoom app. The instructions below are for use of a desktop computer or laptop.

Here's how to join:

Click the link from your confirmation email to join. It will take you to the screen to the right.

Depending on your browser and security settings, this may function differently. It may begin when you click **'Open Zoom'** or you may need to **'download & run Zoom'**. Follow the prompts.

3. When Zoom opens/runs you will need to select how you would like to hear the meeting. Either through the speakers on your computer or through your phone which is often clearer. Do not select 'Call Me' as we do not have that capability.

Call any number listed and Enter the information from your meeting when prompted, followed by #. The Meeting ID will be unique to our AGM meeting.

Now you're in the meeting. That's it!

Looking forward to 'seeing' you there.

NOTE: Unfortunately, we are unable to provide technical support during the meeting. Please ensure you are familiar with Zoom prior to the meeting.

Please forward any questions you may have to AGMquestions@tpcu.on.ca in advance of the webcast. All questions received will be addressed and published on our website after the meeting.
